## **BAKED CHICKEN**

1. First, wash the lemon chicken very well
2. Then add some vegetables to the blender such as onion, pepper, carrot, garlic and tomato, salt to taste, blend and add to the chicken
3. Then cook for 15 minutes.
4. Then you can sauté some chopped onions and add them. Also some whole potatoes.
5. After about 15 minutes, add everything to a large, wide pot.
6. Meanwhile make a tomato salad with lettuce
7. Finally take to the oven and leave it for 1 hour
8. Serve with the salad and everything will be delicious, add pepper if you want to your liking
